For an extra \$25, you can add one of the following symbols on your brick or bench. Putting a symbol on your brick will not take up any of your engraving spaces.

It is anticipated that we will start construction of the garden in the Summer of 2011. Therefore, it is important that you submit your order as soon as possible to help us with our planning.

You will find the order form on the next page. Please read it carefully and complete it fully. Once your order has been submitted to the company that does the engraving we will be unable to make any changes.

If you have any questions please give Sue Rubanks or Bob Hill a call at the rectory 610-532-6880. We will be glad to help you in any way we can.
